75% of Alaskans live on the coast.
We all benefit from coastal resources.

DEFEND YOUR VOICE!

"How we manage our coast will determine Alaska's future. We need input from Alaska's people to manage our coast wisely."

-Kodiak Island Borough Mayor Jerome Selby

"The program ran successfully for 30 years, and we need it back. We need to develop our resources in Alaska and we need to do it responsibly."

-North Slope Borough Former Mayor Edward Itta

Alaska is the only coastal state without
a Coastal Management Program.
You can change that.

**VOTE FOR YOUR VOICE
IN ALASKA'S FUTURE**

What Coastal Management does for Alaska:

- **Pro Alaska**
Empowers Alaskans in federal decisions that impact our coasts.
- **Pro Development**
Cuts red tape, coordinates permitting, resolves conflicts and avoids lawsuits.
- **Pro Community**
Gives Alaskans a real voice about what happens in our communities.
